

Willow Hurdles Specification Sheet

Made from English willow grown on the Somerset Levels, these garden fence hurdles are an attractive and natural alternative to wooden woven fence panels.

They are available in the following sizes:

6ft x 6ft

6ft x 5ft

6ft x 4ft

6ft x 3ft

Alternative preservatives:

Water based preservative – for example Cuprinol

A 50/50 mixture of boiled linseed oil and turpentine

– the traditional method of preserving willow.
